+ FOREWORD +

You hold in your hands a 1940 Bell. Yes—the same name, the same size, the same activities, but different because it is a book filled with the spirit of new ideas.

Early last fall the staff met, our plans were laid, and the work was begun. As the work progressed, we became more convinced that we had something important to do. We believed sincerely in the students of San Jose High, in their own activities, and in the qualities expressed by the leaders of those activities.

Perhaps our desire to be original has led us to be radical; perhaps we have overdone somethings; yet we feel that in some ways we have accomplished our purpose. In that spirit we have created this Bell, and in that spirit we offer it to you.

---

# + DEDICATION +

---

A school is known by its students, and students are known by their leaders. Leaders are important people, and they deserve to be. Yet, too often we take our dances, rallies, games, clubs, and publications for granted. Too often we fail to recognize the work that has been done, and the time that has been spent.

We of San Jose are fortunate in having a group of students who, by their tireless efforts during the past year, have successfully guided our student life

Thus, because we have come to realize the important work they do, because we feel that too often their accomplishments go unheralded, and because we see in them students at their best, we dedicate this Bell of 1940 to the LEADERS of San Jose High School.

# A D M I N I S

Mr. Murdock he needs no introduction for his cheery smile and "Hello Bill" have made him known to every student. Close to the student's interests and modern in his ideas he is, nevertheless, firm in his desire to teach us order. Often he is more easily found in the corridors and classes than in his office. In this, we believe, lies his success, for we respect and admire him most of all because we feel he is one of us.

MISS O'NEIL

We give you our dean, a girl, patient and kindly, who makes our Girls' League a success and gives an incentive to every high school girl

MR LATHROP

When planning a career, choosing a course, or just making out new programs, we may depend upon Mr Lathrop, our registrar, to give us the advice we need

MR SHIPP

To his many duties in guidance and curriculum, our vice principal brings dependable execution and a dash of that personal touch

MR DENT

In his first year as dean of boys, Mr. Dent put over many successful Boys' League activities. His technical crew has provided a whole year of classroom programs through movies and transcriptions. Because he makes himself one of them, Mr. Dent is a favorite of all the boys

KENNY TAX

# LEAD

There is no other boy in San Jose High School better known than the one who is our Student Body President, Kenny Tax, who in our eyes has brought home to San Jose High School as many of our responsibilities as he has. Kenny is a person who is not only a leader in our school but also in the community. He is the one who has made the school a better place to be and who has made the school a better place to be. He is the one who has made the school a better place to be and who has made the school a better place to be.

ART started his career as a San Jose High School student in the fall of 1937 when as a low sophomore he had his first taste of real football from that true forward Killam and the gridiron have been synonymous when, after presiding over his registration class several times he crowned his glory with a successful term as Spring Student Body President, as suming his many duties and executing them in his stride.

Because they touch each and every student in San Jose High School, the Boys' and Girls' Leagues are the largest organizations in the school. Because they represent so many students, they carry on a great number of varied activities. The Girls' League holds a Big and Little Sister Party for the sophomore girls, a Jinx for the juniors, and a Tea for the seniors. Another annual affair is their Fashion Show. The Boys' League invites guest speakers to their meetings, and have plans for a student Smoker. This year the League put on a very successful night rally.

Girls' League officers were; Fall: president, Dorothy Malech; vice-president, Bette Werner; secretary, Nadine Johns; treasurer, Jane Walker. Spring: president, Bette Werner; vice-president, Audrey Backenstoe; Secretary, Ianne Fischer; Treasurer, Joyce Walker.

Boys' League officers were; Fall: president, Bud Roberts; vice-president, Lou Colla; secretary-treasurer, Mike Giammoni. Spring: president, Sam Alaimo; vice-president, Don Butcher; secretary, Mike Margolati; treasurer, Roland Helstrom.

Realizing the need for publication representation on the council, the student body now elects a commissioner of publications. Besides representing the Herald and Bell in council meetings, the commissioner is chairman of the Publications committee which passes on the editorial and financial policies of both publications.

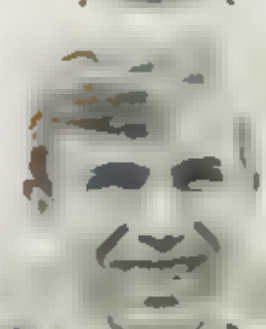

Publication activities included attendance at a number of conferences, foremost of which was the annual three day meeting held at the University of California.

Looking after the interests of three varied, but nevertheless important departments, the Commissioner of General Activities finds enough work to keep himself busy. Debate, music and drama are represented by this commissioner. Debate and music awards are presented to students entering into these activities. Embryonic actors and actresses are honored by election to the honorary drama society, Mask and Scroll. Not directly connected with student government, but doing valuable work was the Lip Reading Class under the direction of Mrs. Lillian Dorsey of the Department of Vocational Rehabilitation.

Working in close conjunction with Mr. Glasson, financial advisor, the finance commissioners each semester prepare a school budget. They are also closely connected with the finances of the athletic department. Yes—they're the ones who punch your tickets at the games and dances.

Located in the East Wing, the Bank is High's Wall Street. Here it is that all school financial matters are handled. Managed by older students under the direction of Mr. Glasson and Mr. Howard, its door each June becomes the Mecca of checking-out students.

Bank officers were; fall: president, Mr. Glasson; vice-president, Marty Taylor; secretaries to Mr. Glasson, Miller, March, Piety, Savio; treasurer, Stanley Miller. For the spring: president, Mr. Glasson; vice-president, John Clark; secretary to Mr. Glasson, Lorraine Miller; treasurer, Herbert Grand.

Representing the athletic interest in San Jose High School, the athletic commissioners aid the coaches in their relations with the student body. While inter-scholastic events hold most of the students' interest, there is also a great deal of enthusiasm in inter-class games.

San Jose is a member of the Peninsula Athletic League and plays most of its games with members of the league.

Block "S. J.'s" are annually awarded to those students who have secured the minimum number of points in their respective sports.

Displaying unusual skill in their work, this year's managers are certainly deserving of appreciation. Managers for the year were: Girls': Dolittle, Suppiger, Keast, Scudero, Lico, Kawakami, Monigue, Jolima, D'Anna. Boys': Greenley, Mineta, Lorge, Crema, Gunn, A. Sota, Clark.

With black and white stripes we introduce the fall seniors, not as convicts but as exhibitors of a new type of senior garb. We next see them trying to coordinate limb with limb at the Sutro's ice rink. Their following appearance shows them lending their talents toward their hilarious talent show, and finally we see them bidding adieu, which Jack, Bob, and Ennis did so aptly

Saving on precious morning time, the spring senior boys began their last term by sporting pajama tops on an eventful Friday. The class furnished color day with a splash of true enthusiasm. Living up to its famous spirit, it enjoyed its traditional picnic and presented a super talent show. With this in its favor, it left on June 17

After a slow start, dropping the first two games, one of which was a practice game at Berkeley, the Bulldogs hit their stride by finishing the League campaigns without further defeat. They were held scoreless in Burlingame, the League champions.

Captain Hawkins, Long, and Hart guards, Fuentes, Mills, and Stewart, tackles, Killam and Blume, ends, and Buckerood

and Holiday alternating at center, made up the forward wall of the Bulldog eleven.

Although San Jose did not again make a clean sweep of the P. A. L. as it had done in the previous two years, it nevertheless left its mark on the annals of P. A. L. history.

Ribisi and Akizuki led the 120's to victory in the P. A. L. and N. C. S. meets. Both broke records in the dashes and broadjump respectively. The relay team also set up a new record in winning its event.

Varsity Captain Kenny Tarx won the 100 and 220 yard dashes in both the P. A. L. and N. C. S. meets, but injuries to key men kept the varsity from repeating the success of previous years.

For the third straight year, the Bulldog nine captured the P. A. I. title. Led this year by Lew Botano, Sam Lee won a majority of its forty-five games. By taking five out of seven league games, the team won the right to play in the O'Shaunessey playoff. From here the nine went on to take the semi-finals from St. Mateo and the champion from St. Ignace. In playing by Botano, Passantino, Fountaine, Steve Wilson and Lammert, aided with the fine co-operation of the rest of the team made this season a great season in Bulldog baseball history.

# TENNIS

## VARSITY TENNIS SOPHOMORE TENNIS

Smashing, lobbing, driving, and serving, this year's Bulldog team completed a successful season. Although running up against the skill of teams from Salinas, Bellarmine, Sacred Heart, Burlingame, Palo Alto, San Mateo, and Sequoia High Schools, the team won two thirds of their matches. The highlight of the tennis season came when Victor Morton and "Dink" Clark, after taking the P. A. L. doubles crown, went on to capture the first N. C. S. championship San Jose has held since 1926. Members of the team were Morton, Clark, Parnay, Payne, Walker, Talie, McReynolds, Moore.

Miss Winter: (noting mistake) "Which student has both feet off the floor?"

He looked around to see if all was ready. It was. He gazed into strained tense faces, but no one made a move to stop him. Suddenly he gave a start as a voice came close, with his temple numbed a few stirring words, the pistol the trigger. Bang! The crowd's roar as the runners of the crowd four athletes sped down the track.

And if you don't think something should be submitted to a person's care, ship, consider this story of a well known ice-cream manufacturer: "Take home a brick. You may have company."

Two seconds later, the other said to the other: "I'll bet you expect that I can stay under the water longer than you."

The other said: "All right."

Both submerged, and the police are still dragging the water for the bodies.

Some of these traffic cops are so mean they wet their pencils to make the charge look as black as possible.

Hughes (to woman in dress): Is there a new dress which you would like to make at this time?

Condemned Man: Yes. Don't rasp my throat with harsh irritants.

"Just one!" he begged. "Just one."

"No, I can't," she replied.

"Please, just one; that's all."

"I'm sorry, but there isn't a seat left in the theatre."

She: Mr. Jones' wife has fifteen hats this season and I only have two.

It's ridiculous!

He: It sure is! What on earth do two women want with seventeen hats.

Hubert: "I heard your teacher fell down the stairs today."

Tiger: "Ssh! You fool! That isn't suppose to happen until tomorrow."

I thought the car needed some gas. So I got out to look in the tank. I couldn't see very well so I lit a match. I held the match directly over the tank. I was not too wise, though, so I got in the car and drove home.
